- **Convenient and efficient –** Double-sided printing & an convenient 2.4" colour LCD for easy navigation.
- **4 individual ink cartridges –** Save money by only replacing colour used.

SLEEK AND STYLISH 3-in-1

The sleek Epson® Expression® XP-4200 wireless all-in-one offers auto 2-sided printing and other high-performance features for efficient everyday home printing. Featuring a 2.4" color LCD for simple setup and navigation, the XP-4200 makes it easy to wirelessly print, copy, and scan documents and photos.

AFFORDABLE INDIVIDUAL INK CARTRIDGES

Depending on what you are printing - lots of blue skies will mean your cyan will need replacing sooner than other colours - your printer's ink will reduce at different levels. With individual inks you only need to replace one cartridge at a time - the one that actually needs replacing. With tri-colour cartridges, you end up throwing away the entire cartridge even if just one colour runs out, meaning you waste the good ink you have left. Wasted ink is just wasted money. Epson individual ink cartridges means you save money and don't waste ink.

EPSON SMART-PANEL

An innovative interface, the Epson Smart Panel app[2] transforms your iOS® or Android™ mobile device[3] into an intuitive control centre for your Epson Expression Home XP-4200. This powerful tool makes it easy to set up, monitor, print, scan and more using your Epson printer, right from your hand-held device. With quick-configuration features, it offers easy product setup on your wireless network and automatically detects your printer. Customize the app to your own preferences and requirements.
Built to offer everything you need in one convenient app, Epson Smart Panel allows you to register your product, order supplies and easily access troubleshooting tips.

POWERED BY HEAT-FREE TECHNOLOGY

The Epson Expression Home XP-4200 is powered by Epson Micro Piezo with Heat-Free Technology. Micro Piezo technology utilises piezo crystals that pulse when electrical signals are sent to them by the printer. It produces incredibly consistent droplets, both in shape and size, to deliver clear and sharp prints.

CONNECTIVITY

### Simple wired & wireless connectivity

The Epson Expression Home XP-4200 supports the latest wireless standard, 802.11 b/g/n[4] and includes Wi-Fi Direct®. Which means no router is required, providing users with greater coverage and faster speeds. You can use your printer from anywhere in your home and share it with multiple PCs.

Print from your iPad or iPhone

Apple® AirPrint™ makes it simple to print emails, web pages, presentations and documents straight from their iPad or iPhone. There's no software to download, no drivers to install and no cables to connect. Your Apple® IOS® device will automatically connect to the printer.

[1] Most features require an Internet connection to the printer, as well as an Internet and/or email-enabled device.

[2] Requires Epson Smart Panel app download. Data usage fees may apply.

[3] Compatible mobile device operating systems — for iOS: 11.0 or later; for iPadOS®: OS 13.1 or later; for Android: 5.0 or later.

[4] Wi-Fi CERTIFIED™, level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software.
