EASILY ORGANIZE IT RACKS WITH CABLE MANAGEMENT

## A wide range of cable managers to keep IT environment clean and organized

Ideal for managing cable runs of the IT equipment, the Cable Management Series manages and organizes cables for the racks. The easy-to-use cable managers can bundle, separate or route cables to make sure cables are easy to access and identify. When setting up IT equipment in racks, the cable managers support flexible configuration and easy maintenance, so users can keep the rack systems tidy and prevent cables from getting tangled.
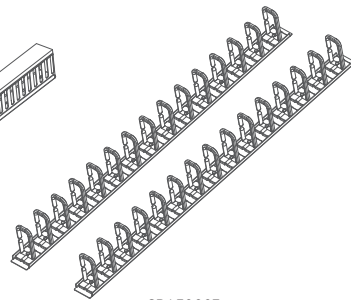

SERIES FEATURES
- To Keep Cables Organized
- Toolless Installation*
- Installation Hardware Included*

- Split into Two Sections for Flexible Applications*
- Cold Rolled Steel with Black Finish*

* Selected Model(s)
